**II. Basis for Jurisdiction**

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

What is the basis for federal court jurisdiction? *(check all that apply)*

Santana vs. Boston Public Schools

Statement of Claim Cover

I experienced discrimination and was retaliated against by the Boston Public schools.

I was sexually assaulted with an object by a student and nothing was done about it. I was subsequently terminated for telling a joke misinterpreted as sexual misconduct. The Office of Equity of Boston Public School did not go through with a thorough investigation of my claim of being sexual assaulted.

The three claims are described as per the order numbered 1-3 respectively.

Santana vs. Boston Public Schools

Statement of Claim #1

Facts pertaining to being sexually assaulted.

A student in a room full of students sexually assaulted me with an object during class. Many students were witness to this act. This occurred in the Spring of 2022. I sent an email to Principal Carolina Brito immediately afterwards. I can recall it was a Tuesday and for mental health reasons I took the following Wednesday and Thursday off. I felt I had to go into work that Friday for fear of being fired for missing 3 days without a doctor's note. The following week the first time I saw Carolina I asked her when we could meet to discuss what happened to me. She said "I'll let you know". I waited and that day never arrived. I can not provide this email sent to Carolina as my email account was no longer available to me since September 12, 2022. My email address was msantana4@bostonpublicschools.org.

Santana vs. Boston Public Schools

Statement of Claim #2

Facts pertaining to being unjustly terminated

On September 12, 2022 I was asked to go home in the morning from the Rafael Hernandez school around 11:30am. I was put under investigation for sexual misconduct by Boston Public Schools. I had told a joke to a co-worker on September 6, 2022 that was construed as said sexual misconduct. Around 8:20am on September 12, 2022 a student witness to what happened to me in the spring (sexual assault) told me that the student who attacked me was in her class. I told her to ignore him and if he does or says anything to tell a teacher. She told me she didn't wish to be in the school and I replied by telling her that I would talk to the principal about what had happened. I never got the chance to see Carolina to discuss the assault because the next time I would see her she would send me home.

Statement of Claim #3

Facts pertaining to the Office of Equity of the Boston Public Schools

On Thursday, February 23<sup>rd</sup>, 2023 I called the Office of Equity to see what happened to my case of being sexually assaulted that I hoped had begun after February 10, 2023. The person I spoke to told me that their boss was busy and that soon the investigation would begin and that I would receive a phone call soon about it. On Monday, February 27, 2023 I received an email stating the investigation was over and that they didn't find any evidence of the sexual assault.

Santana vs Boston Public Schools

Relief

I am asking the court to order compensatory and punitive damages to be received as remedies with a monetary sum to be decided by a jury. I continue to suffer from emotional distress and mental trauma that resulted from the sexual assault and defamation. I claim to be entitled to receive actual or punitive damages based on the claims presented against Boston Public Schools to be determined by a jury.

I have provided a document from the U.S. Equal Employment Opportunity Commission describing my notice of rights.

I provide Superintendent Circular number HRS-PP10 as evidence #2. Inside you can see that my crime of telling a joke did not warrant the punishment of being terminated. Considering Carolina wanted to not let it be known she did nothing when I was sexually assaulted it would make sense to terminate me. I would like to ask the courts to have Boston Public Schools submit my email to Carolina Brito in regards to the sexual assault as Evidence #1.

I provide a Hearing Appeal Results from the Department of Unemployment as Exhibit #1. It was seen that I did not engage in any type of sexual misconduct and a reversal was made based on the facts provided.

A complaining party may recover punitive damages if the defendant "engaged in a discriminatory practice or discriminatory practices with malice or with reckless indifference to the federally protected rights of an aggrieved individual" 42 U.S.C., 1981a.
